Dear Friends and Esteemed Colleagues,

On behalf of the Indian Association of Dialysis Technologists (IADT) (Registered: S/27318-1995, New Delhi), a society proudly registered under the Societies Registration Act, 1860, it gives us immense pleasure to extend a warm and cordial invitation to you to participate in the 5th National Conference of IADTCON-2025, scheduled to be held on September 20–21, 2025, at the prestigious Amriteswari Auditorium, Amrita Hospital, Faridabad, Delhi-NCR, India.

About IADTCON-2025, IADTCON stands as the premier scientific platform in India, bringing together distinguished nephrologists, dialysis technologists, nursing officers, researchers, academicians, and healthcare professionals dedicated to the fields of Nephrology and Dialysis. This year's conference promises to be an even greater milestone, offering a comprehensive and meticulously curated scientific program aimed at fostering academic excellence, innovation, and collaboration.

The two-day event will feature: **Workshops** focusing on the latest technologies and best practices in dialysis care. **Interactive scientific sessions** led by eminent national and international speakers. **Panel discussions** addressing current challenges, future directions, and innovations in nephrology and dialysis modalities. **Paper and poster presentations** providing an excellent opportunity for young professionals and students to showcase their research, share experiences, and gain valuable feedback from experts in the field. **Networking sessions** facilitating interactions among peers, mentors, and industry leaders, creating avenues for collaborations and professional growth.

Stay Updated: Gain in-depth insights into cutting-edge advancements and evolving practices in nephrology and dialysis. **Enhance Skills:** Participate in hands-on workshops and sessions designed to enhance clinical and technical competencies. **Build Connections:** Network with leading figures in the nephrology and dialysis community. **Showcase Your Work:** Present your research or case studies and receive recognition on a national platform. **Shape the Future:** Be part of discussions that will influence future directions in dialysis technology and patient care.

We strongly encourage all participants to submit scientific abstracts and actively participate in the oral and poster presentation sessions. Your contributions will enrich the scientific fabric of the conference and inspire others in the field.

The Organizing Committee is committed to curating a highly enriching, engaging, and impactful experience for every delegate, blending scientific knowledge with meaningful professional interactions.

We eagerly look forward to welcoming you to IADTCON-2025 at Faridabad, Delhi-NCR — for what promises to be an insightful, dynamic, and memorable scientific gathering.

Warm regards,

Organizing Committee
