## INVITATION

On behalf of the Joint Forum of Medical Technologists of India, we would like to cordially invite you to participate in the 5<sup>th</sup> National Allied Health Professionals' Conference (AHPCON-2024) of JFMTI scheduled to be organized on 29<sup>th</sup> & 30<sup>th</sup> March, 2024 at Swarn Jayanti Auditorium, Lady Hardinge Medical College & Associated Hospitals, New Delhi (India)

The AHPCON is a common national scientific conference of all Allied Health Professions (AHPs) represented by the JFMTI. It is a biennial conference organized with the aim of sharing latest scientific and common professional issues of allied health sciences and medical technology professions in India. Joint Forum of Medical Technologists of India is an apex professional registered national organization of five major Allied Health Professions i.e. Medical Laboratory Sciences, Radiology and Imaging Technology, Radiotherapy Technology, Anesthesia & Operation Theatre Technology, Dialysis Technology etc. JFMTI is also a member organization of Global Health Workforce Alliance (GHWA) under World Health Organization (WHO). It is actively engaged in standardization and advancement of Allied Health Services in India.

The present Scientific Conference (AHPCON-2024) is a great opportunity for all Allied & Health Professionals including teachers/faculties and students to exchange the knowledge about their professions face to face. The theme of Conference “**Allied & Healthcare Professionals: Transforming Healthcare Through Technological Competence**” has a great significance when advanced technologies have developed in leaps and bounds with various applied techniques standardized for better services rendered by AHPs. The participants will not only gain insights to the professional knowledge but will also get the opportunity to discuss about all emerging professional challenges and opportunities. We would also like to invite all potential participants to submit their related scientific abstracts and present their expertise in the conference.

We look forward to welcome you to join this conference and discover Capital City of India during the spring of 2024.
